JB/LETTER SINGH/88/01/26

- 1 -

JAN 28 1988

Dr. Madan M. Singh  
Engineers International, Inc.  
98 E. Naperville, IL 60559-1595

Dear Dr. Singh:

SUBJECT: RESPONSE TO NOVEMBER 1987 MONTHLY PROGRESS REPORT UNDER CONTRACT NO. NRC-02-84-002 (FIN D1004)

I have reviewed the November 1987 monthly progress report submitted by Engineers International (EI). Based on the summary of activities presented, I have the following comments.

I. Activities During Current Reporting Period

Task Orders 001-006

Task orders 001 through 006 have been completed.

Task Order 007

As you know, DOE has suspended work on the Deaf Smith site. Therefore, the Deaf Smith design review should be terminated. A letter summarizing the review status should be submitted.

Task Order 008

Task Order 008 has been completed.

II. Activities Planned for Next Reporting Period

Task Order 007

Mr. Robert Cummings will be involved in the review of the NNWSI Conceptual Design Report. A copy of the conceptual design was mailed directly to you by DOE.

The November monthly progress report was received late. However, the contents fulfill the requirements of this contract.

If you have any questions or comments regarding this letter please contact me.

Sincerely,

ISI

John T. Buckley
