Mr. John Dronkers
Lawrence Livermore National Laboratory
P. O. Box 808, Mail Stop L-204
Building No. 1478
Livermore, California 94550

Dear Mr. Dronkers:

DOE-RL/DOE-HQ JOINT QUALITY ASSURANCE AUDIT 8801 OF SELECTED PACIFIC
NORTHWEST LABORATORY (PNL) ACTIVITIES

Enclosed is a copy of the PNL response to the subject audit. Your comments on the response are requested by April 15, 1988. We received your completed checklists and audit report March 31, 1988; and the technical advisor Henry Shaw's report April 1, 1988. Both of your reports are being included in the audit report. You will be on the distribution list for the audit report.

Should you have any questions, please contact T. K. Subramanian on
FTS 444-3175.

Sincerely,

For John H. Anttonen, Assistant Manager
for Research and Projects
