

December 19, 1987

Mr. K. C. Chang
Mail Stop 623-SS
US Nuclear Regulatory Commission
Washington DC 20555

Dear Kien:

SUMMARY OF EFFORT, DECEMBER 14 - DECEMBER 19, 1987

This memo describes the tasks which have been addressed during the time period indicated.

1. The USER's MANUAL, Part I and Part II, was delivered, in draft, to NRC personnel.

2. Preliminary planning was done for a possible briefing to NRC covering the background and content of the models CONVO and CONVOPC.

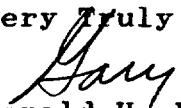

Enclosed is a Voucher for Professional Services for this time period.

The tasks planned for the next period are:

1. The details of the proposed briefing to NRC will be developed.

If you have any questions, please call me.

Very Truly Yours,

Gerald H. Fuller
