Gil,

I've reviewed Regulatory Guides 6.9, 7.11 & 7.12 for Sensitive Homeland Security Information, and find them acceptable for reposting to NRC's public web site

Gil,

I completed the review of RGs 3.51, 3.54, 3.56, 3.67, 3.69, 3.71, & 3.72 for sensitive homeland security information so that they can be reposted on NRC's website.

What do you need back?

Fritz
