Please repost the following Division 1 regulatory guides.

1.12, 1.33, 1.35.1, 1.35, 1.54, 1.61.1.122, 1.132, 1.138, 1.142, 1.152, 1.163, 1.165, 1.166, 1.167, 1.168, 1.169, 1.170, 1.171, 1.172, 1.173, 1.180,

The above regulatory guides have been reviewed based on information in COMSECY-01-0030 (January 25, 2002) which provides the latest Commission guidance to the staff on development of criteria for release of information to the public. Based on these sensitivity reviews, it has been determined that the above guides do not contain information that could provide a clear and significant benefit to a terrorist in a potential attack. The result of the review (attached) has been approved by Daniel Dorman, the cognizant RES Branch Chief.

Subject: Re-post of RGs

We have reviewed the RGs shown in the attached table using the guidance provided in SRM for COMSECY-01-0030, "Guidance to the Staff on Release of Information to the Public", dated January 25, 2002. Based on this sensitivity review, we determined that content of these RGs do not contain information that could provide a clear and significant benefit to a terrorist in a potential attack. Therefore, we recommend reposting of these RGs to the NRC's public website.
