Dear Dr. Kelmers:

SUBJECT: CONTRACT NO. NRC 50-19-03-01 FIN B-0287, ORNL NO. 41-37-54-92-4,
"TECHNICAL ASSISTANCE IN GEOCHEMISTRY," DECEMBER (1987) MONTHLY
PROGRESS REPORT

I have reviewed the December monthly progress report dated January 6, 1988.
Based on my review, I have the following comments:

- ° Progress to date is satisfactory.
- ° I received ORNL letter report LR-287-76 concerning the Chambers report on radionuclide transport through waste containers. I have distributed the report for comment.
- ° I will call you during the week of 22 February to discuss the work needed to support draft-2 of the ORNL report on geochemical site characterization needs.
- ° NRC Draft comments on DOEs CDSCP are nearing completion. The input received from ORNL was appreciated. I will send you a copy of the draft comment as soon as they are available.

The action taken by this letter is considered to be within the scope of the current contract (FIN B-0287). No changes to the cost or the delivery of contracted services and products are authorized. Please notify me immediately if you believe that this letter would result in changes to the cost or the delivery of contracted products.
