Dear Mr. DeLaBarre:

Enclosed for your information is a letter from Sogem USA Inc., requesting an amendment to license XSOU8772 to: 1) acknowledge the name change from Sogem USA Inc., to Umicore Marketing Services USA Inc.; 2) add additional consignees located in China, Estonia and Kazakhstan; and 3) extend the expiration date from December 31, 2004, to December 31, 2007.

The material will first be exported to Belgium for distribution to the ultimate consignees in China, Estonia, Germany, Kazakhstan, and Thailand where the material will be processed for recovery and refining of the tantalum and columbium, and ultimately distributed for non-nuclear end uses.

Inasmuch as we have previously agreed that Executive Branch Views and/or foreign government assurance letters are not required for export of this source material for non-nuclear end use, we intend to issue the license after the required 30-day waiting period.

Sincerely,

/RA/

Edward T. Baker, Deputy Director
Office of International Programs
