RE: Source Material License SUA-56, Request to Change Address

Dear Mr. Nelson,

It has been brought to my attention that some documents mailed from the NRC to Western Nuclear Inc. are going to an outdated address. I would like to initiate a license amendment to bring the address current. Following is the headquarters address for Western Nuclear, Inc.:

Mr. Lawrence J. Corte, President
Western Nuclear, Inc.
2801 Youngfield Street, Suite 340
Golden, CO 80401

Very truly yours,

Lawrence J. Corte
