

5. REVIEW BY THE ADVISORY COMMITTEE ON REACTOR SAFEGUARDS

The Advisory Committee on Reactor Safeguards (ACRS) will review the portion of the Ginna license renewal application (LRA) related to Part 54 of Title 10 of the *Code of Federal Regulation*. The ACRS Subcommittee on Plant License Renewal will continue its detailed review of the LRA after this report is issued. Rochester Gas and Electric Corporation, and the staff will meet with the subcommittee and the full committee to discuss issues associated with the review of the LRA. After the ACRS completes its review of the Ginna LRA and SER, the full committee will issue a report discussing the results of its review. This report will be included in an update to this SER. The staff will address any issues and concerns identified in that report.
