**Re: North Anna Early Site Permit Application  
CD for public access**

Dear Joanne:

Per our telephone conversation of September 29, 2003, please find enclosed a copy of the above application on CD for public access. Once the CD is inserted into the computer, the content should automatically upload with Acrobat Reader.

Thank you for your assistance with making this document from Dominion accessible to the public. The NRC will also have the content available for the public's review on their website [www.nrc.gov](http://www.nrc.gov).

Should you have any questions, feel free to contact me at (804) 273-2170.

Sincerely,

Tony Banks  
Dominion ESP Project  
Environmental Lead
