Dear Ms. Arp:

Re: PID-06-S-49

The Colorado Department of Public Health and Environment (CDPHE) has reviewed the Class I PID-06-S-49 and concurs with the southern toe ditch modifications.

We understand that this change will allow future vehicle passage along the west side of the disposal cell and will exclude excavation equipment from working at the western edge of the Estes Gulch Mesa.

If you have any questions, please call Jim Hams at (970) 248-7170.

Sincerely,

Rick Brown
