The Portable Document Format (PDF) files in the file package were distributed to the public on CD-ROM during the Fuels Sessions at the Nuclear Safety Research Conference 2003 held on Tuesday, October 21, 2003, at the Marriott at Metro Center in Washington, DC.

One presentation, Waeckel Slides, was incorrectly rendered (at very small size) from the original Microsoft PowerPoint to PDF on the CD. This has been corrected and the revised file (at normal resolution) is provided in this collection.
