The meeting is scheduled to discuss the following:

(1) How comfortable we are with respect to the technical basis leading to the development of the proposed manual action criteria.

(2) Feedback/comments received from RG on the guidance development.

(3) RES to give insights on ongoing research activities that maybe benefit this proposed rulemaking.

(4) Identify potential technical support to help develop a defendable SOC.

(5) Resources for team members.

(6) Next step
