 The meeting is scheduled to discuss the following:

- (1) How comfortable we are with respect to the technical basis leading to the development of the proposed manual action criteria.
- (2) Feedback/comments received from RG on the guidance development.
- (3) RES to give insights on ongoing research activities that maybe benefit this proposed rulemaking.
- (4) Identify potential technical support to help develop a defensible SOC.
- (5) Resources for team members.
- (6) Next step
