FROM: Frederick C. Sturz, Section Leader /s/ MRaddatz for

SUBJECT: POSTCARDS FROM THE INDIGENOUS WOMENS NETWORK

NRC has received group mailings of the attached form postcards from members of the Indigenous Womens Network, P. O. Box 174, Lake Elmo, Minnesota 55042. Each postcard is addressed to the Executive Director for Operations, U.S. Nuclear Regulatory Commission, Washington, DC 20555.

The postcards state,

"Dear Director, I demand that you
*STOP PROFITEERING FROM NUCLEAR RACISM!"
*Stop the Nuclear Dumps at Prairie Island,
Mescalaro, and Yucca Mountain!"

and have a place for the Name and Address of the individual member of the Indigenous Womens Network.

By this memo, and as agreed by telephone conversation between Florence Brown of my staff and yourself, the hardcopy of the postcards will be filed in the NRC Central File under Docket 72-18 and cross-referenced under the WM docket for Yucca Mountain. The postcards cannot be microfiched because of the red paper upon which they were printed. This memo should be made available at NRC public document rooms to show receipt of these group mailings.

Thank you and your staff for your assistance.
