**RE: DOCKET NO. 030-05222 - LICENSE NO. 29-00139-02 - FINAL STATUS SURVEY**

Dear Ms. Ullrich:

E.R. Squibb & Sons, a wholly owned subsidiary of Bristol-Myers Squibb Company, requests unconditional release from our license of the former Radiodiagnostic Manufacturing facility, and its associated grounds and equipment, located at our New Brunswick site. To support this request, enclosed please find the Final Status Survey (FSS) report for these areas. The FSS consists of six volumes and details the work performed, the data collected, and pertinent supporting documentation.

The results stated in the FSS indicate the affected areas exceed the requirements for decommissioning mandated by the NRC and validate our conclusion that the areas were successfully decontaminated.

If you require any additional information or wish to discuss this request, please contact me at michael.vala@bms.com or (732) 227-5096.

732

Sincerely,

Michael J. Vala, CHP  
Radiation Safety Officer, Manger EHS
