

October 29, 2003

Mr. T. Paul Teng  
U.S. Department of Transportation  
Federal Highway Administration  
Turner-Fairbank Highway Research Center  
6300 Georgetown Pike  
McLean, VA 22101

Dear Mr. Teng:

I am responding to your letter dated October 16, 2003, addressed to Ms. Marissa Bailey/NRC requesting the termination of registration certificate Nos. NR-643-D-101-S and NR-643-D-102-S.

Please note that we have inactivated these certificates and forwarded them to you with our letter dated October 26, 2000. For your information, I have attached a copy of this letter and a copy of the inactivated registration certificates. However, due to an oversight, your billing has not been discontinued. We are notifying our Licensing Fee and Debt Collection Branch (LFDCB) about this oversight and ask them to correct the records.

If you have further questions, please feel free to contact me at (301) 415-8140 about the registration certificates or Ms. Rosalyn Jones of our LFDCB at (301) 415-7300 about fees.

Sincerely,

Traci Kime, Licensing Assistant  
Materials Safety & Inspection Branch  
Division of Industrial and  
Medical Nuclear Safety  
Office of Nuclear Material Safety  
and Safeguards

Enclosures: As stated

cc: Rosalyn Jones, LFDCB
