October 30, 2003

Mr. Douglas J. Walters, Director  
Emergency Planing and Security  
Nuclear Generation Division  
Nuclear Energy Institute  
1776 I Street, NW Suite 400  
Washington, DC 20006-3708

Dear Mr. Walters:

As requested in your September 29, 2003, letter to Glenn Tracy, we are providing our comments (enclosed) on Revision A of the template that industry intends to use for preparing security plan submittals in accordance with the April 29, 2003, Nuclear Regulatory Commission design basis threat (DBT) Order.

Portions of the enclosed template have been revised to reflect insights gained during our October 23, 2003, meeting. Accordingly, we request that you use this version to provide your feedback to us and to document progress in reaching a version that we can endorse as an acceptable approach to be used by licensees to satisfy the requirements in the April 29, 2003, DBT Order.

We look forward to our scheduled meeting on October 30, 2003, and to receiving the next version of the security plan template. Please call me at (301) 415-7083, should you have any questions on our detailed comments.

Sincerely,
