SUBJECT: ASSISTANCE OFFER FOR LOUISIANA ENERGY SERVICES
PROJECT

Dear Ms. Bearden:

Thank you for your letter of October 14, 2003, in which you offered to assist us in our activities related to the licensing of the Louisiana Energy Services (LES) gas centrifuge enrichment plant proposed for Lea County, New Mexico. We also appreciate your offer of temporary space at your offices in Hobbs. We may need to contact your organization to gather information needed for our Environmental Impact Statement. However, because of our concerns about leaving any of the public with a perception that we are promoters of the LES project, we respectfully decline your offer for use of temporary office space.

If you have any questions, please contact me at 301-415-7299.

Sincerely,

/RA/
