Notification of Compliance With Requirements of Order for Compensatory Measures Related to Fitness-For-Duty Enhancements Applicable to Nuclear Facility Security Force Personnel (EA-03-038) ("Order")

The Order, dated April 29, 2003, required that Nuclear Management Company, LLC (NMC) notify NRC when compliance with the requirements of the Order had been achieved. On June 3, 2003, NMC indicated (ADAMS Accession ML023090327) that all requirements specified in the Order would be completed by October 29, 2003. The purpose of this letter is to notify NRC that NMC is in compliance with the Order and that all required actions have been completed.

This letter makes no new commitments or changes to any existing commitments.
