Subject: Submitting corrected filing in MOX case

Dear ASLB and parties,

Yesterday, on behalf of GANE, I filed a motion to strike DCS's reply to GANE's opposition to DCS's summary disposition motion on Contention 3. I have since discovered two clerical errors, one of which affects the meaning of the motion. The first error is that on page 4 line 7, the word "not" should be underlined instead of the word "did." The second error is that on on page 6 line 6, the word "not" should be removed before the phrase "out of date." The attached electronic copy of the pleading contains the corrections.

The errors were corrected in the hard copies before they were mailed.

Diane Curran
