Those on Attached List

Ladies and Gentlemen:

BRIEFING ON BWIP STOP WORK ORDER/RESTART

During the June 4, 1987, briefing it was stated that a follow-up briefing would be scheduled subsequent to BWIP's completing its assessment of the Integrating Contractor's restart actions. Based upon our reviews, those actions required to be performed in order to grant a lifting of the stop work order will be completed in the near future. Therefore, as announced in the meeting held on November 10, 1987, the follow-up meeting has been scheduled for December 10, 1987, in Richland at the Holiday Inn. Attached for your information is the agenda for the meeting. The data package for the meeting is scheduled to be mailed on November 25, 1987.

If additional information is desired, please contact Mr. R. D. Izatt at (509) 376-7334.

Sincerely,

John H. Anttonen, Assistant Manager
for Commercial Nuclear Waste
