Dr. Donald L. Vieth, Director  
Waste Management Project Office  
U.S. Department of Energy  
PO Box 14100  
Las Vegas, Nevada 89114-4105

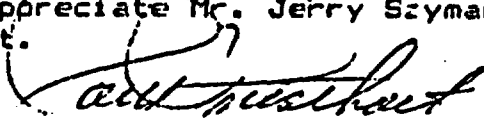

Dear Dr. Vieth:

PROPOSED APPENDIX 7 VISIT TO THE USGS, DENVER, DURING WEEK OF  
AUGUST 18.

The NRC Division of Waste Management proposes an Appendix 7  
visit to the USGS offices in Denver, Colorado, during the week of  
August 18, 1986. Dr. William Dudley, USGS NNWSI TPO has been  
consulted and has been given the list of USGS personnel that the  
NRC team would like to visit. Discussion topics were included.  
Dr. Dudley indicated that he had no general problem with the date  
of the visit and would check on the availability of the USGS  
personnel indicated.

The NRC team members are Ms. Charlotte Abrams, Mr. Kieth  
McConnell and Dr. Abou-Bakr Ibrahim, all of the WMGT branch. I  
would also be present.

This visit would be conducted under the Appendix 7 rules and  
understanding. No advance preparation by USGS personnel is  
expected. The NRC would appreciate Mr. Jerry Szymanski's  
participation in this visit.

  
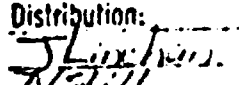

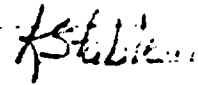

PAUL T. PRESTHOLT  
Sr. On-Site Licensing  
Representative
