Address2:

City: Cleveland

State: OH

Zip: 44114

Country: United_States

Country-Other:

Email: jmangels@plaind.com

Phone: 216-999-4842

Desc: SECY-85-349 and attachments. The requested documents are the report to the Commission resolving Unresolved Safety Issue A-43.

FeeCategory: NewsMedia

MediaType: The Plain Dealer

MediaType_Newspaper: on

FeeCategory_Description:

Expedite_ImminentThreatText:

Expedite_UrgencyToInform: on

Expedite_UrgencyToInformText: I am a reporter preparing an article on a currently unresolved safety issue involving the potential blockage of reactor sumps.

Waiver_Purpose: The information will be used as one of the primary sources for an article on the unresolved safety issue of sump blockage.

Waiver_ExtentToExtractAnalyze: The SECY document I am requesting is one of several NRC documents that will be used as primary sources.

Waiver_SpecificActivityQuals: The requested record will be one of several primary document sources I will use in preparation of a newspaper article on the issue of sump blockage. I have written or co-written more than 150 articles in the past two years about the NRC and its oversight of the nation's nuclear fleet.

Waiver_ImpactPublicUnderstanding: The requested document and the article to which it will contribute will help the public better understand the NRC's actions regarding resolution of the sump blockage issue.

Waiver_NatureOfPublic: The Plain Dealer is Ohio's largest newspaper, with a daily circulation in excess of 380,000. The paper's Web site attracts readers from across the country.

Waiver_MeansOfDissemination: The means of dissemination will be in an upcoming newspaper article.

Waiver_FreeToPublicOrFee: The public will be able to access the article in a variety of free ways, through the paper's Web site or in public libraries.

Waiver_PrivateCommericalInterest: I have no commercial or private interest in the requested records.
