Subject: Re: Further explanation of dry cask storage allegation

Hello Mr. O'Connell;

I made an error in my attachment letter, dated August 19, 2002 in which I stated NUREG in lieu of Reg. Guide. As you are aware that USNRC endorsed many standards such as ANSI N45.2, ASME NQA-1-1989 for enforcement and the implementation of 10CFR50 Appendix B through Reg. Guides such as Reg. Guide 1.64, 1.28, 1.152, etc.

Please accept the following attachment in lieu of the last one submitted on August 19, 2002. For your convenience, I have marked my corrections in red color.

Thanks. Oscar Shirani
