Ladies and Gentlemen:

### BASALT WASTE ISOLATION PROJECT QUARTERLY UPDATE MEETING

This letter's purpose is to reconsider the date for the next Basalt Waste Isolation Project quarterly update meeting, to which we agreed at the October quarterly meeting.

The January 20-21, 1988, dates conflict with the Department of Energy's and the Nez Perce Tribe's Consultation and Cooperation negotiations (see the attached Master Calendar pages).

It is being proposed that January 12-13, 1988, be considered for the next meeting.

If you have any questions or would like to discuss this further, please contact Max Powell of my staff on (509) 376-5267 or me on (509) 376-7591.

Sincerely,

A handwritten signature in dark ink, appearing to read "John H. Anttonen".

John H. Anttonen, Assistant Manager  
for Commercial Nuclear Waste
