Brookhaven, NY 11719

Dear Mr. Meinhold:

On behalf of the Conference of Radiation Control Program Directors, Inc. (CRCPD) Board of Directors, I am honored to have the privilege of advising you that you have been approved by the CRCPD Board of Directors to give the next John C. Villforth Lecture at the upcoming 2004 National Conference on Radiation Control in Bloomington, Minnesota. This lecture will be given on Sunday afternoon, May 23rd during the Opening Session.

In recognition for being selected, CRCPD will pay your travel expenses and per diem, in accordance with CRCPD policies and procedures, to present the lecture at the CRCPD meeting. You will be authorized to travel on Saturday, May 22nd, give your presentation on Sunday afternoon, and return on Monday, May 24th. Should you wish to stay over and attend the remainder of the meeting, you will be required to pay your own expenses. CRCPD will, however, waive your registration fee for the entire meeting. My staff will issue you a travel authorization for the above dates and make your flight arrangements. Please contact Sue Smith (email ssmith@crcpd.org; phone 502/227-4543 ext. 2228) regarding any particulars she should be aware of in arranging for your flight arrangements.

Early December you will soon receive a speaker letter that will provide details of the meeting as well as provide you guidance on manuscript submission for the Proceedings, audio-visual, and other pertinent information.

On behalf of the CRCPD Board of Directors, and the Technical Planning Committee, we look forward to your presentation at our upcoming meeting.

Sincerely,

Patricia C. Gorman
Administrative Officer

Dear Dr. Moeller:

On behalf of the Conference of Radiation Control Program Directors, Inc. (CRCPD) Board of Directors, I want to express our appreciation to you for allowing yourself to be nominated by the Health Physics Society Board of Directors, to give the John C. Villforth Lecture Series at the 2004 National Conference on Radiation Control in Bloomington, Minnesota on May 23rd. The purpose of my letter is to advise you that you were not chosen as this year's presenter. While the decision was tough, we hope you will consider allowing your name to be nominated again in future years.

We would like to encourage your attendance at our meeting in Bloomington. When information becomes available, we will post the announcement, including the tentative agenda, training, registration, and other pertinent information on our web site (www.crcpd.org). We hope you will periodically visit our web site to see what's new and give serious consideration to attending.

Again, thank you for your nomination.

Sincerely,

Patricia C. Gorman

Dear Dr. Kelsey:

On behalf of the Conference of Radiation Control Program Directors, Inc. (CRCPD) Board of Directors, I want to express our appreciation to you for allowing yourself to be nominated by the American College of Radiology to give the John C. Villforth Lecture Series at the 2004 National Conference on Radiation Control in Bloomington, Minnesota. The purpose of my letter is to advise you that you were not chosen as this year's presenter. While the decision was tough, we hope you will consider allowing your name to be nominated again in future years.

The Technical Planning Committee was so impressed with your proposed paper that they would like to extend an invitation for you to present your paper entitled "The Future of Radiation Protection in Medicine: Challenges and Opportunities" at the 2004 National Conference on Radiation Control during the week of May 23-26, 2004 in Bloomington, Minnesota. If you agree to provide this paper, your registration fee will be waived for this day as well as the rest of the meeting. We hope you will consider staying the entire meeting.

We hope you will give serious consideration to accepting our offer to present the above paper. Our attendees will be enriched by your participation.

Sincerely,

Patricia C. Gorman
