Dear Mr. Bailey:

On behalf of the Nuclear Regulatory Commission's Sealed Source and Device team, I would like to take this opportunity to thank you and the State of California staff for hosting the Sealed Source and Device Workshop, held September 22-26, 2003, at the Radisson Wilshire Plaza Hotel in Los Angeles, California. I would also like to thank the California staff for assisting the team with the various lectures, providing needed visual equipment, and making arrangements for the hotel and conference room. Your staff's efforts greatly contributed to the success of this workshop.

Sincerely,

/RA/
