Subject: Correction to Earlier Letter

Reference: T.A. Jones to Secretary, NRC, "Direct-to-Final Rule on Amendment No. 5 to CoC No. 1004," September 11, 2003

Dear Sir:

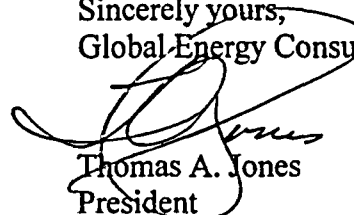

I would like to correct an error that occurred in my reference letter to you.

Page 1, Paragraph 3, states: "I have had no commercial relationship with any CoC holder at any time in my professional career." This statement is incorrect.

The sentence should be revised to read to follows: "I currently have no commercial relationship with any CoC holder." I have had commercial relationships with CoC holders in the past. This enabled me to develop significant expertise on the subject. This should be transparent from my resume, which was attached to the letter.

Please excuse my error. I apologize for any inconvenience or misunderstanding that this may have caused.

Sincerely yours,
Global Energy Consultants, LLC
