Re: PROPOSED APPENDIX 7 VISIT TO LAWRENCE LIVERMORE  
NATIONAL LABORATORY ON JUNE 30 AND JULY 1, 1987

Dear Dr. Vieth:

The NRC Division of High-Level Waste Management proposes an Appendix 7 visit to LLNL in Livermore, California, on June 30 and July 1, 1987. The subject for discussion is the waste package proposed for use by the NNWSI.

Dr. Michael McNeil and Dr. Emmy Booy of the NRC Office of Research, and Mr. Thomas Jungling of the Division of High-Level Waste Management, Technical Review Branch, will accompany me. Planning for the proposed visit has been coordinated with Dr. Larry Ramspott and Dr. Virginia Oversby of LLNL and Mr. Jerry Szymanski of your office.

Dr. McNeil requests that copies of documents suggested for review by the NRC staff prior to this visit be forwarded to him as soon as possible. Dr. Oversby has discussed the document review with Dr. McNeil and knows which documents are needed. Dr. McNeil's address is:

Dr. Michael McNeil  
U.S. Nuclear Regulatory Commission  
M/S NL-007  
Washington, D. C. 20555

This visit will be conducted under Appendix 7 rules and understanding. No advance preparation by NNWSI personnel is expected.
