Dear Dr. Baca:

We received subject deliverable July 29, 1996, with a supplement delivered August 2, 1996. The CDOCs executable and source programs were delivered August 1, 1996. An NRC TDOCS\CDOCS Team has been using the provided documentation, to the extent possible, to install and compile the CDOCS application. The Team has provided a preliminary evaluation of the documentation and application to NRC management for its consideration. Based on the above, we find the deliverable to be acceptable.

Sincerely,
