Vice President  
Safety Light Corporation

Dear Mr. Lynch:

This letter is in regards to your fiscal year 2003 annual fee for license NR0579D101G. Safety Light Corporation was originally billed \$6,700.00 for the fiscal year annual fee for this license on invoice AM3860-03, dated July 7, 2003. The NRC received a payment of \$500.00 along with the small entity certification form on August 6, 2003.

During August and September, my staff performed a background check on Safety Light Corporation to determine the validity of your certification as a small entity. As a result of this research, your company was denied small entity status and informed that a balance of \$6,500.00 was due on the invoice. However, due to an administrative error, the balance due after denying your certification for small entity status was \$6,200.00 and not \$6,500.00 as originally stated by my staff.

I apologize for this error and ask that Safety Light Corporation pay the current balance due on invoice AM3860-03 of \$6,200.00. Attached is a revised invoice for the original fee amount of \$6,700.00 and a record of the \$500.00 paid to date by Safety Light Corporation. Please contact Carl A. Fredericks, of my staff, at 301-415-6077 if you have any questions.

Sincerely,
