In the Matter of
CFC LOGISTICS, INC.
(Quakertown, Pennsylvania)
Docket No. 30-36239-ML; ASLBP No. 03-814-01-ML

Dear Administrative Judges:

As discussed in the prehearing conference call on November 12, 2003, attached is the NRC Staff's ("Staff") initial compilation of ADAMS documents that will form part of the Hearing File for the CFC Logistics proceeding. It is being provided to give the Administrative Judges and parties an idea of the content and a potential format of e-Hearing Files.

This list comprises those documents that the Staff preliminarily decided should be in the CFC Logistics Hearing File. It covers publicly available documents in this docket through October 8, 2003. Additionally, this filing is intended to assist Mr. Sugarman in developing intervenors' objections to provision of the Hearing File by reference to documents in ADAMS.

Since this filing is related to a pending Staff motion, Staff understands it to be the Presiding Officer's intent that any comments on the content or format of this filing be directed to the Presiding Officer and Special Assistant, with copies to the service list. The directions from the Presiding Officer to Mr. Sugarman on the conference call are supportive of this understanding.

Respectfully submitted,

Stephen H. Lewis

Stephen H. Lewis
Counsel for NRC Staff
