1. Third page, entitled: NRC Principles of Good Regulation, subsection entitled: CLEAR, consider using “link” instead of “nexus”. The second sentence of this section is not clear. Consider restating as: “There should be a clear link between agency regulations and goals.”

2. Page 5, in the box under Long Term Outcomes, fourth checkmark down, consider using “hostile” instead of “inimical”.

3. Page 13, item (6), consider using “harmful” instead of “malevolent”.

4. Page 14, fourth bullet, consider using “harmful” instead of “malevolent”.
