

LETTER TO ALAN WHITING/5/16/P

- 1 -

MAY 23 1988

LETTER TO: Allen Whiting,

FROM: Philip M. Altomare

Please find enclosed a letter forwarding comments on the NBS maintained document review data base prepared by Charles Peterson. I believe these will be helpful.

I'm sorry we did not have the time to discuss the document review data base the Center is preparing as originally planned on your visit of May 5, 1988. I believe it would be desirable to discuss this subject before it becomes difficult to make adjustments.

Original Signed By

Philip M. Altomare
