2/1/85

Please prepare internal quality assurance guidance for the EA readiness review which will provide for the achievement of the following objectives:

1. Assurance that proposed staff comments to DOE are clear, concise, and technically supportable.
2. Assurance that staff comments are devoid of unsupported suggestions, challenges, or assertions that there are no unresolved differing staff technical positions.
3. Assurance that the EA review is conducted in accordance with the EA Review Plan.
4. Assurance that the the group shall make a recommendation on disposition of the draft report.
5. Assurance that there is an overall assessment of the significance of the staff comments with regard to the adequacy of the EAs.
6. Assurance that the readiness review group will be comprised of representatives from outside WMRP and the technical branches responsible for the staff technical comments on the EAs. This group could include respresentatives from: ELD, FC, SG, RES, and OSP.
7. Provision for attendance at the EA Readiness Review by any State or Tribe shall be for observation and comment, but not for participation in decisions regarding content or disposition of staff comments.

This internal quality assurance guidance shall be available for review by management ten days before the EA Readiness Review is to begin.
