SUBJECT: RESPONSE TO CNWRA'S PROGRAM MANAGER'S PERIODIC REPORT NO. 88-9

Dear Mr. Latz:

We have reviewed the CNWRA's Program Manager's Periodic Report No. 88-9 for the period May 14, 1988, through June 10, 1988. No specific comments are provided for this reporting period. The over/under expenditures which presently exist in some program elements and the expected modifications to currently defined and scheduled Intermediate Milestones and, possibly, to some Major Milestones have been the subject of extensive discussion by CNWRA and NRC management over the past month. These concerns are being addressed by separate correspondence. Therefore, no response to this letter is required.

If you have any questions, please contact me on (301) 492-0427.

Sincerely,

~~Original Signatures~~

Shirley L. Fortuna  
Deputy CNWRA Program Manager
