Other Interested Parties

SUBJECT: NOTICE OF UPCOMING MEETINGS

The attached notice of upcoming meetings related to the NRC's high level waste management program is being sent to you as a result of the NRC Federal Register Notice of August 27, 1984. It will be updated weekly and sent to you for your information. It reflects meetings, both definite and tentative, between the NRC, DOE and/or other parties. Persons needing more information about any of the meetings are encouraged to call the contact person listed for the meeting.

In addition to this weekly listing, and to provide information to state and tribal representatives and the public, a telephone recording service has been established for the announcement of upcoming meetings related to the NRC Waste Management Program. The number is 1/800/368-5642, Ext, 79002, or 427-9002 for Washington area callers. The recording will be updated weekly, or when changes/cancellations occur.

Enclosed for your information is a Draft Generic Technical Position on In Situ Testing During Site Characterization For High-Level Nuclear Waste Repositories.
