SUBJECT: RESPONSE TO OCTOBER 23, 2003, LETTER - MATERIALS LICENSE
SUA-56 - WESTERN NUCLEAR URANIUM MILL

Dear Ms. Jammerman:

Thank you for your letter of October 23, 2003. This response is a follow-up to our November 3, 2003, phone conversation in which I answered the questions you raised in your letter. To complete your request, I have enclosed results of water sampling conducted by MFG, Inc. I have also included an additional copy should one of your neighbors need the information.

If you have any questions regarding this letter, please contact me at (301) 415-6251 or by e-mail at rwv@nrc.gov.

In accordance with 10 CFR 2.790 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Sincerely,

/RA/
