Subject: Request for Five Year Renewal of Certificate of Compliance No. 71-6581 for the Model No. 51032-1 Package

Dear Mr. Monninger:

Per the provisions of 10 CFR 71.38, Framatome ANP (FANP) formally requests a five year renewal of Certificate of Compliance No. 71-6581 for the Model No. 51032-1 package. The expiration date of the current certificate is May 31, 2004. In addition, FANP requests one small change in the certificate for clarification purposes. In Section 5(b)(1)(i) please change "zircaloy" to "zirconium alloy" to be consistent with the wording in Section 5(b)(1)(ii).

If you have any questions concerning this request, please call me at (509) 375-8464.

Very truly yours,

James K. Davis
Principal Engineer
Environmental, Health, Safety and Licensing
