SUBJECT: CONCURRENCE REGARDING "PROGRAM ARCHITECTURE DATABASE WORK
INSTRUCTION" UNDER TOP-001-02

Dear Mr. Whiting:

I wish to acknowledge the receipt of your August 15, 1988 transmittal of "Program Architecture Relational Database Work Instruction" under Technical Operating Procedure (TOP)-001-02 instructions regarding Center guidance to Program Elements on the format and content of PASS data fields and provide you with my concurrence.

Furthermore, I share with you the belief that this particular TOP can be expected to undergo additional revisions as the Center proceeds with its use. We will, therefore, be glad to review and comment on any revisions that maybe forthcoming.

Best Regards,
