Dear Mr. Whiting:

SUBJECT: COMMENTS ON PROGRAM ARCHITECTURE DEVELOPMENT MILESTONES A3 AND A4

We have received the subject document transmitted by your letter of November 23, 1988. As stated, this deliverable corresponds to two automated data processing (ADP) element/subelement milestones, A3 and A4 (collective short title: Finalize PASS structure through WSE&I Process Block #15).

Review of this document and other related material (e.g., TOP-001-02) indicates that the two draft regulatory requirement topics submitted in fulfillment of the A3/A4 milestones (e.g., E17 and E36) satisfy the intent of these two ADP milestones in demonstrating the data base structure for the Program Architecture Support System (PASS).

In closing, we look forward to continuing to work with you and other CNWRA staff in development of the PASS data base structure for the remaining WSE&I Process Blocks.

Sincerely,
