TRAINING: Training will be conducted by conference call, or during a region inspector counterpart meeting, for personnel conducting Phase I and II inspections. Training will consist of TI review including intent and scope of the activities to be conducted. Pertinent questions will be answered. The training will take about two hours.

REMARKS: TI 2515/154 (Spent Fuel Material Control and Accounting at Nuclear Power Plants) is issued to gather site specific information concerning material control and accounting programs at operating and decommissioned power reactors and wet-storage pool ISFSI's.

DISTRIBUTION: Standard
