SUBJECT: HQ/OGR Review of SRPO QA Plan, Revision 1

TO: Jeff Neff, SRPO

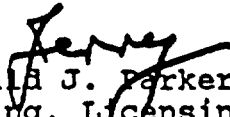

Thank you for the opportunity to review the SRPO QA Plan, Revision 1. SRPO requested this review for HQ/OGR approval in your letter (J. Neff to S. Kale) dated October 19, 1987.

HQ/OGR has completed the review of the QA Plan and have the following comments:

1. As required by OGR/B-3, Supplement 9; SRPO should describe the methods by which they will qualify data that were generated during siting activities prior to the implementation date of a QA Plan complying with the requirements of 10 CFR 50, Appendix B.
2. Sections 13.1 and 13.2 of this Plan should be revised to clarify that Section 13 is applicable to samples as well as items (reference Sections 8.1, 8.2 and 13.4.1.4)

Prior to HQ/OGR approval; we request that SRPO revise the Plan to incorporate the above comments or justify not doing so.

Should you or your staff have any questions, please contact Karl Sommer at (202) 586-1639.
