Subject: AMETEK Advanced Measurement Technology (PINS)			
Summary: Do you have a Sealed Source Device Registry Number for the AMETEK Advanced Measurement Technology, (ORTEC) Portable Isotopic Neutrin Spectroscopy (PINS) Chemical Assay System? I found the source registry but not the device. Craig believed the device was registered as it is authorized under a different Army license. He will try and find the information and get back to me			
Action Required/Taken: Await call from licensee
