SUBJECT: NRC RESPONSE TO LETTERS RELATED TO EYE ON
WACKENHUT (G20030694 and G20030705)

Consistent with direction from your office, that response must be approved by you prior to its being posted on the Nuclear Regulatory Commission's (NRC) Web site. The second document is a letter to the Service Employees International Union, who operates the Eye on Wackenhut Web site, requesting that they post our letter with the associated Web link to the response. The third document is a letter to Wackenhut informing them of our action in response to a separate letter received from them (G20030705). These documents have been coordinated within the Office of Nuclear Security and Incident Response and with the Office of Nuclear Reactor Regulation and Region I. The last two documents will not be issued until the response is approved and posted on the NRC Web site.

Please contact Eric Weinstein of my staff at 301-415-7559 (edw@nrc.gov) when the response is approved, so that we can proceed with the subsequent actions identified above.
