Whereas, the Nuclear Regulatory Commission 0350 process to evaluate the readiness for restart has been a good process and will continue to effectively evaluate Davis-Besse after restart, and

Whereas, the plant condition is better than it has ever been, and

Whereas, the employees are working hard to make sure this never happens again, and

Whereas, the continued oversight after restart by the Nuclear Regulatory Commission and their willingness to involve and keep the County involved is definitely important, and

Whereas, FENOC agreeing to a closer working relationship with Ottawa County through County Administrator Jere Witt being appointed to the Restart Overview Panel and the Company Nuclear Review Board as an independent oversight, now

Therefore Be It Resolved that Catawba Island Township,
(name of political entity)

Ottawa County, Ohio supports and encourages the safe restart of Davis-Besse Nuclear Power Plant.

Witnessed this 26 day of November 2003.
