SUBJECT: EA REVIEW PROCESS MEETING WITH WHARTON
 AND BILL BLAND

I would like each of you, and each of your Section Leaders to attend a meeting with Wharton, our management contractor, and Bill Bland, our QA contractor, on Thursday, May 9, 1985. This meeting is the first phase of our internal review of the EA comment process. We will discuss all the specifics regarding how the review will be conducted and the role each of you will play. The meeting will begin at 10:30 a.m., Thursday, May 9, in the first floor conference room (Rm. 106-110). The Branch Chiefs will be needed for about 2 hours, and the Section Leaders should plan on being there most of the day. If you have any questions or want further information, please call Cathy Russell (x74020).
