SUBJECT: REQUEST FOR EXTENSION OF TIME TO FILE PETITION FOR LEAVE TO
INTERVENE IN PROCEEDING ON DOMINION NUCLEAR NORTH ANNA, LLC.,
APPLICATION FOR EARLY SITE PERMIT (ESP) FOR THE NORTH ANNA SITE

Gentlemen:

This is in response to your requests for an extension of time to file a petition for leave to intervene in the North Anna ESP proceeding, which you made at the December 8, 2003, public meeting on scoping for the environmental impact statement (EIS) that the staff intends to prepare on the application. The NRC staff, in any event, lacks the authority to entertain such a request in this instance. The time to file a petition to intervene is governed by the provisions of 10 C.F.R. § 2.714(a)(1). As stated at the meeting, for the proceeding on the North Anna ESP application and in accordance with the notice published in the *Federal Register* on December 1, 2003, (68 *Fed. Reg.* 67489) that time expires on January 2, 2004.

If you have any questions about this matter, please call me at (301) 415-1696.

Sincerely,

/RA/
Robert M. Weisman
Counsel for the NRC Staff
