Susan B. Jones
Assistant Manager for Scientific Programs
Yucca Mountain Site Characterization Office
U.S. Department of Energy
P.O. Box 98608
Las Vegas, NV 89193-8608

Subject: Results and Recommendations of Peer Review Air-K Testing

The attached is provided for your information and comment. The U.S. Geological Survey-Yucca Mountain Project Branch (USGS-YMPB) has begun and will continue to implement recommendations presented herein, as appropriate. In some cases, however, interaction with and concurrence from you is required before proceeding.

Please contact Bill Dudley if you have any comments or questions about the attached "Results and Recommendations."

Sincerely,

Larry R. Hayes, Chief
Yucca Mountain Project Branch
U.S. Geological Survey
